The Gold Market. Gold closed in New York, on last Monday, at \$1.133.

BARE CHANCE TO MAKE MONEY. Money Made Easily and Honestly.

In order to extend the circulation of the GAZETTE, we offer the following induce mire of partyism. "We notice," this State has paid about \$2,000,000 Corn. ments to persons making up clubs for our says the Whig, "in several direc. a month into the Federal Treasury

For a club of Five cash subscribers, at Two Dellars each, we will pay to the person who raises the club Two Dollars and Fifty cents, eash. For a club of Ten- at \$2 each, we will

pay Five Dollars, cash. For a club of Fifteen, at \$2 each, we

will pay Eight Dollars, cash. For a club of Twenty, at \$2 each, we will pay Twelve Dollars, cash. For a club of Thirty, at \$2 each, we

will pay Eighteen Dollars, cash. For a club of Fifty, at \$2 each, we pay Twenty eight Dollars, cash. For a club of One Hundred, at \$2 each we will pay Sixty Dollars, cash,

All clubs must be made up and sent in by the 1st day of June next. There can Grainger and Jefferson counties within before which all partisan appeals gia and Tennessee, Ohio and Calishat time. The Gazerre is well worth for support should shrink into their fornia are to be taken in hand for perceptibly the money market. Two Dellars a year to anybody, and any person who will display a little energy in this matter can make a handsome sum of money in a few weeks. Persons desirous of making up clubs can procure specimen Office. Send in the names of your submoney on each one.

Change of Time.

The time of holding the Conservative Convention in Jonesboro' for neminating candidates for the several judgeships and for Attorney General, is hereby changed, from the second Monday in May to Tuesday after the fourth Monday (24th) of the same month.

Advantages of Advertising.

es to dispose of, let him advertise it by all means. Don't wait for buyers to make ers don't know they are in want of the article until they rend your advertisement in | predictions." the nawspaper. They read and instantly discover that you have precisely what they need, and wonder that they had never thought of the same things themselves. The nineteeath century is a busy onepeople have little time to think of any thing except their own immediate business. They want to read and learn as country? Look about you and see who they are? What their business? And how they have succeeded? The masses are familiar with their names without cataloguing them here. They have made their princely fortunes by catering to the public, with printer's ink, that these wants | land yet." existed. The press of America is the great medium through which the people talk to one another. It is the come and man can no more hope to succeed in this age without advertising than he can without eating. There are various channels of advertising, but the columns of a sprightly newspaper is the best. It is succeed, advertise-spread printer's ink

new Constitution each grand division of the State will be allowed two Judges on the Supreme Bench, making six altogether, elected by the State at large. While it is important to put forward two of the best our duty to canvass the claims of the candidates proposed in Middle and West Tened by the people and press of East Tennessee, Major Robert McFarland, of Jefname used in this connection rather often of late; have received letters from peominent conservative gentlemen of East Tenoffice seekers and political backs who have been running for something all their lives, should one be held. We heartily indorse him, however, and all that has been said of him. A lawyer by nature, with a highthe strictest habits of temperance, few men once sent it out by a messenger, are so thoroughly qualified in every sense and Gen.
